# THE WHISPERING PINES MOTEL

A clean, quiet, well-maintained motel located in a beautiful country setting right *"in the heart of Illgen City."*

*Enjoy 7 clean rooms & 1 rustic cabin at  
VERY reasonable rates.*

Our motel is the perfect place to stop overnight, or to get away from it all for as long as you like. It is nestled among beautiful birch, cedar and pine trees on just a few hundred feet from Lake Superior. The quiet surroundings, well kept grounds, and many birds and animals are enjoyed by all who stop here.

We are 5 miles northeast of Silver Bay at the Junction of Highways 1 and 61, surrounded by Tettegouche State Park and only one-half mile from the Baptism River. Several good hiking trails are nearby and the Baptism is an excellent trout stream.

Snowmobile and cross-country ski trails are easily accessible right from the door of your room.
